Minimalist and bold at the same time, the circular recessed luminaire Segura celebrates the pure geometry.

The clean aesthetics of this architectural luminaire will enhance any commercial interior. When used as a trimless option, the Segura blends seamlessly into your crisp white ceilings, becoming a subtle yet sophisticated feature. For a more bold design, the six different sizes could be mixed and matched.

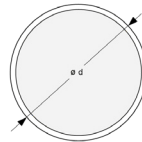

The choice is yours. Equipped with either opal or microprismatic diffuser, the Segura produces a pleasant uniformly distributed output of light.
