

BELLART MINI SURFACE

Less Is More.

PRODUCT DESCRIPTION

MOUNTING	SURFACE
LIGHT SOURCE	LED
LIGHT DISTRIBUTION	DIRECT
MATERIALS	ALUMINIUM

Used as an individual downlight, or as a playful cluster, the BELLART Mini will add soft ambient illumination with a tactile look and feel.

Featuring narrow beam angle and a range of accessories, the BELLART Mini gives interior designers a freedom to personalise the luminaire with a selection of front rings. Also available in larger diameters as Suspended and Surface Mounted options, the BELLART is a true all-rounder, it is equally at home in an office, hospitality, retail or as architectural feature lighting.

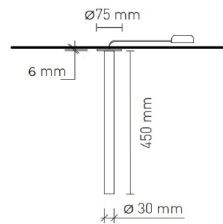

Use it in small meeting pods, above a reception desk, in hotel and retail environment or suspend at different lengths and create beautiful clusters of soft light.
