

# CINCA CIRCULAR

The Almost Invisible.

## PRODUCT DESCRIPTION

<b>MOUNTING</b>	RECESSED
<b>LIGHT SOURCE</b>	LED
<b>LIGHT DISTRIBUTION</b>	DIRECT
<b>MATERIALS</b>	ALUMINIUM
<b>OPTIC</b>	CLEAR

The CINCA is a performance architectural LED downlight with many talents. With 85mm bezel and several variations to choose from, it's a perfectly neat downlight for most commercial applications.

Whether you are after a minimalist feature, or seamless integration – Cinca can do both. Choose between the black darklight baffle for a low glare solution or plaster-in bezel with a white baffle for an almost invisible installation into your ceiling. With a choice of 20deg, 40deg and Asymmetric beams, Cinca can be used for both pinpoint accurate lighting of features, or as a general light source for your space. And the best thing about Cinca? With a 105mm recess depth, this downlight should fit in the tightest of void spaces.
