OPTICS	DOT MATRIX

The Glyde is a visually striking luminaire characterized with a transparent prismatic panel design to see right through the luminaire. With a frame just 24mm deep, the Glyde defines minimalist lighting by seamlessly blending in with the architecture of the space.

It's clear panel supplies glare-free light for maximum visual comfort in any space. Lighting intensity can be dimmed via DALI and three colour temperatures are available to suit any application.

Choose from White or Black powder-coated Aluminium frames with either direct or direct-indirect distribution. The Glyde is ideal for meeting rooms, offices, retail and reception areas.
