

MOY SURFACE

A Dash of Luxury.

PRODUCT DESCRIPTION

MOUNTING	SURFACE
LIGHT SOURCE	LED
LIGHT DISTRIBUTION	DIRECT
MATERIALS	ALUMINIUM
OPTIC	CLEAR

The MOY Surface is a minimalist architectural LED downlight that can be used in many different design contexts depending on your specification. With white, black and grey options and 150 mm diameter it's a perfectly neat downlight for most commercial applications.

Choose between the silver reflector for a traditional look or golden baffle for a feature with a dash of luxury. With a further choice of 4 beam angles, Moy lets you distribute that light exactly where you want it. And the best thing about Moy? With a height of 165mm, this downlight is a perfect solution for all those areas with little or no ceiling void, without being too obtrusive.
