

TARRAS WALL

The Fun Element.

PRODUCT DESCRIPTION

MOUNTING	WALL
LIGHT SOURCE	LED
LIGHT DISTRIBUTION	DIRECT
MATERIALS	ALUMINIUM

The beautifully soft contours of the Tarras offer a flexible lighting solution for a minimalistic interior space. Blending both form and function, the slim square suspended office lighting Tarras gains up to 33W / 4260lm with its advanced LED technology, designed to fit 240mm, 350mm or 600mm square sizes.

The perfectly uniform light distribution of the Tarras makes it a great option for showrooms and office areas since the environment is lit continuously throughout. The possibilities are endless, with the option to wall mount around stairways, and either surface mount or suspend from ceilings. to wall mount around stairways, and either surface mount or suspend from ceilings.
